Lora Lee Massegee (Pebbles) is the youngest daughter of the Massegees, and is a miracle of God’s grace and healing power. She has had three kidney transplants, and a kidney and liver transplant. She is healthier today than she has ever been in her life at the age of 31, as she travels with her mother and dad. She sings solos, sings with her mother, and helps with the children’s programs.

Beverly Massegee is a miracle of God’s redeeming grace. Popular in the field of entertainment, and combining a beautiful voice with a glamorous appearance, she climbed to the top rung in show business. At the summit, however, she found boredom and emptiness.

She accepted Christ as her personal Savior and committed her life to serve Him, and now since 1969, this trophy of God’s saving love has been witnessing for Christ by music and personal testimony.

Her story will thrill you, and strengthen your faith in the glorious truth that we are saved by grace through faith as a gift of God. Her testimony will help young and old alike to return to the Father’s house.

“A full length motion picture has been made of Beverly’s life story, and to date, over 19,000 people have made public commitments to Christ after viewing it.

Erick is the youngest and most hard-headed member of the team. He sings, teaches and amuses all ages with his somewhat unconventional views of well-known Bible stories, and his perceptive insights into the lives of the pastor and church members.

APPEARING NIGHTLY

It is far better to reach young people for Christ now, than trying to mend their broken lives as adults.
