

REVELATION BIBLE CONFERENCE

END TIMES REVELATION EXTRAVAGANZA

Most of our conferences are Sunday evening through Wednesday evening.

FINANCIAL MATTERS

Being full-time vocational evangelists, it is our privilege, to live by faith, travel by faith, and ministry by faith. All financial matters are left entirely in the hands of the church. We make no financial demands or stipulations. We come under the covering of the pastor to love, serve God's people, and reach the lost for Christ. If you feel led to take a love offering for our ministry, we would like for all checks to be made out to the church and one check be given to us before we leave Wednesday night, if possible. Instead of passing the plates during the study, Sunday night through Wednesday night, we prefer to just let someone stand at each exit with a plate in hand and encourage the people to give on their way out of the Bible Study.

MEALS AND ACCOMMODATIONS

We go to all sizes and kinds of churches and they all have their own policies, regarding travel, meals and accommodations for revivals and special events. Relative to meals, Beverly and I will be happy to go out for dinner before or after the evening Bible Study when invited. When not invited out for a meal, we will be responsible for our meals at a restaurant or other arrangements. Relative to accommodations, we will be responsible for securing and paying for a motel room, even if it is a few miles away. Because of personal reasons and the way we live on the road, this matter is of such importance to us, we will bare this expense if the church is unable to do so. Please don't feel like you need to entertain us; we have more than enough to occupy our time. Our priority is to be physically fresh, prayed up and mentally and spiritually prepared for the evening Bible Study.

We are always prepared for civic organizations, TV, radio and school assemblies. We have both religious and non-religious programs. Email me at: cmesinc@earthlink.net or call me at 214-801-7383 if you have any questions or just wish to talk about the situation.

Charles Massegee

Thank God for His Keeping Power

While many are able to share a beautiful testimony of a dramatic conversion from a hard life of sin to a daily walk with Jesus, Charles Massegee humbly thanks God for His keeping power. A power that raised Charles in a loving family that has long been devoted to Christ and the ministry. "Massegee" in Welsh means, "messenger," and the Massegees have been God's messengers from the pulpit around the world for generations. Charles' grandfather and father were evangelists and also were pastors of Southern Baptist Churches for over 140 years combined, both preaching until they were almost 90 years old.

Charles gave his life to Christ when he was only nine years old in his father's church. At the age of eighteen, he answers God's call to preach the gospel of Christ. That same year he was licensed by the Second Baptist Church and ordained to the ministry at the New Hope Baptist Church in Ranger, Texas. He helped organize the Eastside Baptist Church in Ranger at the age of nineteen and was their first pastor. Because of football stardom and hundreds of invitations to preach revival meetings, he entered full-time vocational evangelism. He completed his education at Hardin Simmons University in Abilene, Texas and Southwestern Baptist Theological Seminary in Fort Worth, Texas. Since then he has averaged over 30 revival crusades a year. Charles was elected President for an unprecedented three terms of the National Conference of Southern Baptist Evangelists, 1969, 1970 and 1971. He was elected three terms as President of the Conference of Texas Baptist Evangelists, 2013, 2014 and 2015. He and his wife, Beverly, received the prestigious Roy Fish Lifetime Achievement Award from the Southern Baptist of Texas Convention in 2014. As an evangelist, he is endorsed by the Southern Baptist Convention and by the North American Mission Board in 2000.

In the midst of all the gloom and despair, that so dominates our society, there is a sure source of hope. There is an answer! Charles speaks to these issues with a candid, straightforward approach, offering positive solutions for this troubled generation. Indeed, Jesus is the Answer, and the Book of Revelation explains why.

Beverly Massegee

SHE IS TRAVELING A DIFFERENT CIRCUIT NOW!

- Beverly is a former movie actress
- Former night club singer
- First husband was a hit man and leader of the Dixie Mafia before his murder
- Beverly is a published author, lecturer, gospel singer and professional ventriloquist
- She has been on the Geraldo Show, 48 Hours and Larry King, and many more
- A motion picture was made of her life story
- Beverly was the technical advisor on the movie JFK
- Portions of the JFK movie was her life story

Beverly Massegee is a miracle of God's redeeming grace. Popular in the field of entertainment, and combining a beautiful voice with a glamorous appearance, she climbed to the top rung in show business. At the summit, however, she found boredom and emptiness.

She began to resort to chemical props in order to alleviate the vacuum in her life. Then one day, while driving casually home from a garden club meeting, she passed a Baptist Church where Dr. Angel Martinez was preaching in a revival. She says, "Something like a magnet drew me into that building. I would never have gone in on my own." The music awakened a nostalgia in her heart, and the sermon, affirming God's forgiving love as both complete and permanent, aroused a desire within her to leave the "far country" and return to the "Father's House."

She accepted Christ as her personal Savior and committed her life to serve Him, and now since 1970, this trophy of God's saving love has been witnessing for Christ by music and personal testimony around the world. Her story will thrill you and strengthen your faith in the glorious truth that we are saved by grace through faith as a gift of God. Her testimony will help young and old alike to return to the Father's house.
